Summary

WHO WE ARE:

Devcart Solutions is a professional digital agency offering end-to-end services in e-commerce development, branding, and digital marketing. We specialize in building high-converting online stores and tailored digital solutions to elevate your business growth. The company was founded by Asad Dastgir with a vision to empower brands through innovation and technology.

WHAT WE DO:

At Devcart Solutions, we build and manage professional e-commerce stores on Shopify, Etsy, Amazon, and eBay. We offer digital marketing, SEO, and high-converting Facebook ad services to grow your business. Our team also provides expert product listings, branding, and custom website development.

Website Development

Custom Web Solutions Built for Your Brand

We design and build stunning websites that capture attention and drive results. Whether you need a business site, portfolio, or landing page — we create with clarity and impact.

Our focus:

- Custom Design
- Mobile Responsive
- On-Page SEO (Advanced)
- Hosting & Domain Setup Assistance
- SSL Security Setup
- Google Analytics Setup

We built customizable websites using **WordPress** — the world's most powerful and user-friendly content management system (CMS). Whether you need a **business website, blog, portfolio, or landing page**, we design it to match your brand and deliver results.

Digital Marketing

At Devcart Solutions, we offer powerful digital marketing services designed to boost your online visibility, attract your target audience, and drive real business results. Whether you're launching a new brand or scaling an existing one, our strategies are tailored to help you grow fast — and effectively.

Our Digital Marketing Services Include:

Business Social Accounts Setup & Optimization

Professionally designed and fully branded social media profiles across all platforms

All Social Media Ads Campaigns

Facebook, Instagram, TikTok & LinkedIn ad campaigns focused on reach, sales & engagement

Google Ads Campaigns

Search, Display, Shopping & YouTube ads with targeted strategies for conversions

Google Business Account Setup

Get found locally with a professionally optimized Google My Business profile

Email Marketing

Automated, targeted email campaigns that build customer loyalty and drive repeat sales

E-commerce Management

At Devcart Solutions, we provide complete e-commerce management services to help you set up, optimize, and grow your online business across multiple platforms. From store setup to product marketing, we handle everything so you can focus on selling.

Our E-commerce Management Services Include:

E-commerce Store Setup & Optimization

Professionally built and fully branded stores on Shopify, Etsy, eBay, or TikTok with SEO, mobile responsiveness, and conversion-focused design

Google Merchant Setup

Complete setup of your Google Merchant account to make your products eligible for Google Shopping Ads and search visibility

Product Sync with Facebook Commerce Shop

Seamless integration of your store's catalog with Facebook & Instagram Shop for automated product syncing and smooth shopping experience

Ads Listing on Your Marketplaces

Professionally designed and keyword-optimized ad listings for Mercari, Poshmark, Facebook Marketplace, Offerup, and more to boost visibility and increase sales

Graphic Designing

At Devcart Solutions, we offer high-quality graphic design and video editing services that help your brand stand out across all digital platforms. From eye-catching visuals to engaging video content, we bring creativity and strategy together to tell your story.

Our Graphic Design Services Include:

Photo Editing

Custom-designed posters, social media creatives, ads, logos, and branding materials that reflect your brand's identity with clarity and style.

Video Editing

Engaging, high-resolution video edits perfect for YouTube channels, social media ads, reels, and brand promotions using CapCut & Adobe Premiere Pro.

FAQS

Q: How do I get started?

A: Book a free consultation on our website.

Q: Which industries do you support?

A: Fashion, tech, coaching, wellness, retail, and more.

Q: How do you charge?

A: Transparent, customized per project. No hidden fees.

Q: How will I know the work is progressing?

A: Weekly updates and monthly reports from a dedicated manager.

Q: What's the timeline?

A: Most websites take 2–4 weeks. Marketing and e-com support are ongoing.

Q: Can you fix my existing site?

A: Yes! We offer audits, bug fixes, and redesigns

Q: Do you require contracts?

A: Only for long-term services. Monthly and one-time projects are welcome.

Q: Can I create a custom package?

A: Yes! We tailor all services based on your specific needs.
